

2024 MINISTRY PLAN

Every church is called to make disciples. At Grace, we see that happen when people **DISCOVER** God through our weekend services, **BELONG** in a Life Group, **SERVE** here with their time, talent and treasure, and **GO** everywhere else. Our Ministry Budget Plan for 2024 is organized around discipleship and missions. Everything we do is measured by how we are making disciples who continue to **DISCOVER** God, **BELONG** in community with other believers, **SERVE** and **GO**.

1. Discover (19.8%)
God calls us to come together to worship Him. And when we do, people are transformed...this year we have baptized 70 new believers!

God's people are a family...and a family belongs together. The ways we do that at Grace are primarily in Life Groups, but also through ministry to Preschoolers, Children, Youth, and College & Young Adults.
