

**Use of Grace Community Church property
for marriage ceremonies and receptions**

The fundamental biblical conviction of Grace Community Church is that Christian marriage is, by Biblical definition, the spiritual and physical uniting of one man and one woman in an exclusive covenant commitment for their joint lifetime. Christian marriage is God's unique gift to reveal the union between Christ and His Church. As such, Grace Community Church believes that wedding ceremonies on church property are spiritual observances of worship of God who created this divine institution. As worship services, weddings on Grace Community Church property shall be officiated by one or more ordained ministers of the Gospel. Grace Community Church may decline to make its facilities available for any wedding or wedding reception if it is determined that one or both of the parties are not biblically qualified to marry according to our biblical belief of marriage. Should a question arise, determinations will be made by the senior pastor and elders of Grace Community Church.
