Cost of being God's Girl // Kathie Skaggs

Room 1

Anything in life worth something is going to cost something, maybe everything. And that's true with living a life surrendered to God. This session will help us learn that our relationship with God is going to cost us something, but what? What are you willing to give of yourself or give up to live a life surrendered to Him (we all have something)? That will be the challenging question as we discover together that JESUS is worth giving our all to Him.

What is the Gospel // Ruthanne Lynch

Room 7

We often talk about the Gospel. But what is it really? Is it something I experience once or something that impacts me everyday? Applying the truth that "Jesus died for my sin and rose again" to every day life will help us live when life is challenging.

Beautiful Identity through Sexual Integrity // ***Lexi Zanias***

AUDITORIUM 2

The competing definitions of the words sex, gender, identity, and love have caused great confusion in our world today. Using God's Word as our foundation, we'll discuss what it looks like to hold on to Biblical truth while loving our neighbors, family members and friends, well as well as combatting temptation and struggle in our own lives.

How to Walk Your Walk with Christ // ***Jacque Mentink***

Lobby A

Paul, in his writings, often referred to the conduct of our daily lives as a WALK. And if anyone is a testimony on "How to Walk your Walk with Christ", it is Paul. In 2 Corinthians 5:7 he states, "For we walk by faith, not by sight." Since scripture is the inspired Word of God, it is actually Christ who encourages us daily in our walk. But what does that look like practically in today's society? Let's delve into the scriptures and just see what we can discover together.
